

Silent Angel Munich MU

Streamers & muziekserver

Technische specificaties

Merk	Silent Angel
Model	Munich MU
Productcategorie	Streamers & muziekserver
Digitale uitgangen	AES/EBU port x 1 I2S port x 1* Coaxial port x 1 - Supports tot PCM 384KHz and DSD 5.6M (DSD128) * I2S output signal is not compatible with Holo Audio's DAC
Beschikbare kleuren	Zwart, Zilver
Ethernet	1 GbE RJ45 x 1
Led-indicatie	Red, green, en blue lights flash in sequence > System booting Blue light remains steady > Startup process completed Blue light stays steady > Standby mode Red light blinks > Mute mode Green light blinks > PCM output format Blue light blinks > DSD output format
USB-audio	USB Audio port x 1 - Supports tot PCM 768KHz and DSD 11.2M (DSD256)

Technische specificaties

Processor	Dual-core Cortex-A72, frequency 1.8GHz + Quad-core Cortex-A53, frequency 1.4GHz
Werkgeheugen	Low-Noise 4GB
Materiaal behuizing	Aluminum alloy material sandblasted anodized appearance, Double-layer casing isolation design.
Afmetingen	360(W)*73(H)*220(D)mm 14.18(W)*2.9(H)*8.67(D)inch
Gewicht	4.65KG (10.25 lb)
